

THE III SECHENOV INTERNATIONAL MATERNITY AND CHILDHOOD FORUM

MOSCOW, FEBRUARY 5–6, 2026

INNOVATIVE TECHNOLOGIES IN MATERNAL AND CHILD HEALTH

VENUE (IN-PERSON):

Congress Center of the Sechenov First Moscow State Medical University (Sechenov University)
Address: 119991, Moscow, Trubetskaya St., 8 (Research Center)

ONLINE BROADCAST: CON-MED.RU Portal: <https://con-med.ru/sechenov-forum>

ORGANIZERS:

Sechenov First Moscow State Medical University (Sechenov University). 119048, Moscow, Trubetskaya St., 8, bldg. 2. Tel.: +7 (499) 248–05–53; rectorat@staff.sechenov.ru.

Sechenov Center for Maternity and Childhood. Moscow, Bolshaya Pirogovskaya St., 19, bldg. 1. Tel.: +7 (917) 525–03–62; nikolle_l_g@staff.sechenov.ru

WITHIN THE FORUM:

EXTENDED-FORMAT ROUND TABLE

FEBRUARY 5, 2026 (12:30-15:00)

"HORIZON SCANNING IN HEALTHCARE: DEVELOPMENT AND ACCESSIBILITY OF MEDICINAL PRODUCTS FOR CHILDREN IN THE ERA OF PERSONALIZED TECHNOLOGIES"

VENUE (IN-PERSON):

Address: 119992, Moscow, Bolshaya Pirogovskaya St., 2, bldg. 3

ORGANIZERS:

Sechenov First Moscow State Medical University (Sechenov University). 119048, Moscow, Trubetskaya St., 8, bldg. 2. Tel.: +7 (499) 248–05–53; rectorat@staff.sechenov.ru.

Sechenov Center for Maternity and Childhood. Moscow, Bolshaya Pirogovskaya St., 19, bldg. 1. Tel.: +7 (917) 525–03–62; nikolle_l_g@staff.sechenov.ru

Expert-Analytical Center for Horizon Scanning in Healthcare, Institute of Translational Medicine and Biotechnology, Sechenov University, Moscow, Trubetskaya St., 8. Tel: +7 (925) 264-10-14, shchurov_d_g@staff.sechenov.ru

ONLINE BROADCAST: CON-MED.RU Portal: <https://con-med.ru/sechenov-forum>

REGISTRATION: <https://con-med.ru/survey/344/>

Block	Block Title	Time
A	Opening Framework	12:30 – 12:45
B	Science, Biomarkers, Emerging Technologies	12:45 – 13:10
C	Treatment Issues: Standard Therapy and Personalized Approach	13:10 – 13:45
D	Clinical Research, Access, Procurement, Regulatory Affairs: How to Deliver Therapy to the Patient	13:45 – 14:10
E	Industry and Patients: How to Reach Agreement "Without War"	14:10 – 14:30
F	Discussion	14:30 – 15:00

MODERATORS:

- **Vadim V. Tarasov** – Doctor of Pharmaceutical Sciences, Professor, Vice-Rector for Scientific and Technological Development, Director of the Institute of Translational Medicine and Biotechnology, I.M. Sechenov First Moscow State Medical University (Sechenov University) of the Ministry of Health of Russia.
- **Dmitry A. Kudlay** – Corresponding Member of the RAS, DSc (Med), Professor, Department of Pharmacology, Sechenov First Moscow State Medical University; Vice President for New Medical Technology Implementation, JSC "Generium".

BLOCK A. OPENING FRAMEWORK

- **Vadim V. Tarasov** – Doctor of Pharmaceutical Sciences, Professor, Vice-Rector for Scientific and Technological Development, Director of the Institute of Translational Medicine and Biotechnology, I.M. Sechenov First Moscow State Medical University (Sechenov University) of the Ministry of Health of Russia.
- **Dmitry A. Kudlay** – Corresponding Member of the RAS, DSc (Med), Professor, Department of Pharmacology, Sechenov First Moscow State Medical University; Vice President for New Medical Technology Implementation, JSC "Generium".

BLOCK B. SCIENCE, BIOMARKERS, EMERGING TECHNOLOGIES

- **Vladimir V. Poroikov** – Academician of the RAS, DSc (Bio), PhD (Phys-Math), Head of "Digital Pharmacology and Pharmaceuticals" Direction, Head of the Bioinformatics Department, V.N. Orekhovich Research Institute of Biomedical Chemistry. **Topic: "Digital Pharmacology: Searching for Safer and More Effective Drugs for Pediatrics"**.
- **Ilya A. Kofradi** – DSc (Bio), Corresponding Member of the RAS, Head of the Department of Genetics and Immune Response Regulation, State Research Center Institute of Immunology, FMBA of Russia; Chief External Specialist in Medical Genetics, FMBA of Russia. **Topic: "Applications of New Computational Algorithms for the Diagnosis and Therapy of Immune-Mediated Pathology"**.
- **Nuriya Z. Musina** – PhD (Pharm), Associate Professor, Executive Director of the CIS Orphan Consortium. **Topic: "International Cooperation in the Field of Personalized Technologies"**.
- **Natalia S. Trifonova** – DSc (Med), Deputy Chief Physician for Science and Innovative Development, Sechenov Center for Maternity and Childhood; Professor, Department of Obstetrics and Gynecology No. 1, N.V. Sklifosovsky Institute of Clinical Medicine, Sechenov University. **Topic: "Identification of Biomarkers for Obstetric Complications - A Path to Improving Future Child Health"**.

BLOCK C. TREATMENT ISSUES: STANDARD THERAPY AND PERSONALIZED APPROACH

Format: 3–5 minute commentary / 1–2 questions to the audience

- **Alexander B. Malakhov** – DSc (Med), Professor, Department of Children's Diseases, Sechenov University. **Topic: "The Deficit of Modern Protocols and Practices for Antibacterial Therapy in Children: What Needs to Be Updated in Real Clinical Practice"**.
- **Ekaterina I. Alekseeva** – Corresponding Member of the RAS, DSc (Med), Professor, Director of the N.F. Filatov Clinical Institute of Children's Health, Sechenov University; Head of the Rheumatology Department, National Medical Research Center for Children's Health, Ministry of Health of Russia; Chief External Specialist in Pediatric Rheumatology, Ministry of Health of Russia; President of the Association of Pediatric Rheumatologists. **Topic: "Innovations in Pediatric Rheumatology: From Theory to Real Clinical Practice"**.
- **Ekaterina V. Ligskaya** – Assistant, Department of Pediatrics and Childhood Infectious Diseases, N.F. Filatov Clinical Institute of Children's Health, Sechenov University. **Topic: "From Neonatal Screening to Disease Prognosis: The Evolution of TREC and KREC Applications in Pediatrics"**.
- **Elena S. Zholobova** – DSc (Med), Chief External Specialist in Pediatric Rheumatology, Moscow Health Department; Chief External Specialist in Pediatric Rheumatology for the Central Federal District of the Russian Federation. **Topic: "Genetically Engineered Biological Therapy for Rheumatic Diseases in Children: Transition to Domestic Bioanalogues"**.
- **Nadezhda S. Podchernyaeva** – DSc (Med), Professor, Department of Children's Diseases, Sechenov University. **Topic: "The Importance of Genetic Examination for Rheumatological Practice"**.

BLOCK D. CLINICAL RESEARCH, ACCESS, PROCUREMENT, REGULATORY AFFAIRS: HOW TO DELIVER THERAPY TO THE PATIENT

- **Mohammadreza Mobini-Zadeh** – Associate Professor, Department of Health Management and Economics, National Institute for Health Research, Tehran University of Medical Sciences, Tehran, Iran. **Topic: "From Horizon Scanning to Defining Clinical Priorities: Early Health Technology Assessment Tools for More Informed and Equitable Decision-Making"**.
- **Birol Tibet** – Associate Professor, Department of Public Health, Faculty of Medicine, Bahçeşehir University, Turkey. **Topic: "Bridging the Access Gap for Orphan Drugs: A Policy Perspective from Turkey"**.
- **Maria V. Posadkova** – PhD (Law), Head of the Legal Service, "PodSolnukh" Charitable Foundation; Associate Professor, Department of Medical Law, Sechenov University. **Topic: "Legal Regulation of Drug Provision for Patients with Rare Diseases: Analysis of Achievements and Development Prospects"**.

БЛОК Е. ИНДУСТРИЯ И ПАЦИЕНТЫ: КАК ДОГОВОРИТЬСЯ «БЕЗ ВОЙНЫ»

- **Alexey L. Kedrin** – PhD (Med), Chairman of the Board, Association of Pharmaceutical Manufacturers of the EAEU. **Topic: "High-Tech Drugs as a Development Goal for Russian Pharma: Where Partnerships with Clinics and the State Are Needed"**.
- **Vladimir V. Andrianov** – Director of Partner Relations, JSC "R-Pharm". **Topic: "Pediatric Indications and Clinical Development: How Industry Chooses Priorities"**.
- **Yuri A. Zhulyov** – Co-Chairman, All-Russian Patients Union. **Topic: "The Patient Pathway: Accessibility, Routing, Trust in the System and in Therapy"**.
- **Irina V. Bakradze** – PhD (Econ), President of the "PodSolnukh" Charitable Foundation; Member of the Expert Council on Rare (Orphan) Diseases under the State Duma Committee on Health Protection; Certified Mediator. **Topic: "From Fragmented Assistance to Cooperation: Mediation as a Tool for Overcoming Systemic Gaps in Supporting Families with Seriously Ill Children"**.

INVITED PARTICIPANTS

Moderators:

- **Vadim V. Tarasov** – Doctor of Pharmaceutical Sciences, Professor, Vice-Rector for Scientific and Technological Development, Director of the Institute of Translational Medicine and Biotechnology, I.M. Sechenov First Moscow State Medical University (Sechenov University) of the Ministry of Health of Russia.
- **Dmitry A. Kudlay** – Corresponding Member of the RAS, DSc (Med), Professor, Department of Pharmacology, Sechenov University; Vice President for New Medical Technology Implementation, JSC "Generium".

Academicians/Scientific Leaders:

- **Vladimir V. Poroikov** – Academician of the RAS, DSc (Bio), PhD (Phys-Math), Head of "Digital Pharmacology and Pharmaceuticals" Direction, Head of the Bioinformatics Department, V.N. Orekhovich Research Institute of Biomedical Chemistry.
- **Ilya A. Kofiadi** – DSc (Bio), Corresponding Member of the RAS, Head of the Department of Genetics and Immune Response Regulation, State Research Center Institute of Immunology, FMBA of Russia; Chief External Specialist in Medical Genetics, FMBA of Russia.
- **Dmitry A. Sychev** – Academician of the RAS, DSc (Med), Professor, Head of the World-Class Genomic Research Center – Center for Predictive Genetics, Pharmacogenetics and Personalized Therapy, Petrovsky National Research Centre of Surgery; Head of the B.E. Votchal Department of Clinical Pharmacology and Therapy, Russian Medical Academy of Continuous Professional Education; Honored Scientist of the Russian Federation.
- **Dmitry G. Shchurov** – PhD (Med), Head of the Expert-Analytical Center for Horizon Scanning in Healthcare, Sechenov University.

Clinical Leaders in Pediatrics

- **Alexander B. Malakhov** – DSc (Med), Professor, Chief External Specialist in Pediatric Pulmonology for the Ministry of Health of Russia in Moscow Oblast and the Moscow City Health Department.
- **Ekaterina I. Alekseeva** – Corresponding Member of the RAS, DSc (Med), Professor, Director of the N.F. Filatov Clinical Institute of Children's Health, Sechenov University; Chief External Specialist in Pediatric Rheumatology, Ministry of Health of Russia.
- **Natalia A. Geppe** – DSc (Med), Professor, Head of the Department of Children's Diseases, N.F. Filatov Clinical Institute of Children's Health, Sechenov University; Honored Doctor of the Russian Federation.
- **Lusine G. Khachatryan** – DSc (Med), Professor, Head of the Department of Child Neurology, Sechenov University.
- **Elena S. Zholobova** – DSc (Med), Chief External Specialist in Pediatric Rheumatology, Moscow Health Department; Chief External Specialist in Pediatric Rheumatology for the Central Federal District of the Russian Federation.
- **Nadezhda S. Podchernyaeva** – DSc (Med), Professor, Pediatrician, Rheumatologist, Children's Rheumatology Department No. 1, Sechenov Center for Maternity and Childhood.
- **Anastasia A. Tatarnikova** – Chairman of the Board, Autonomous Non-Profit Organization "Center for Expert Assistance on Issues Related to Rare Diseases, 'Rare House'".

Medical Law Experts:

- **Maria V. Posadkova** – PhD (Law), Head of the Legal Service, "PodSolnukh" Charitable Foundation; Associate Professor, Department of Medical Law, Sechenov University.

International Organizations:

- **Nuriya Z. Musina** – PhD (Pharm), Associate Professor, Executive Director of the CIS Orphan Consortium.
- **Nathan Hunt** – President and Founder, Canadian-Eurasian Chamber of Commerce & Industry.

Industry/Associations:

- **Alexey L. Kedrin** – PhD (Med), Chairman of the Board, Association of Pharmaceutical Manufacturers of the EAEU.
- **Vladimir V. Andrianov** – Medical Director, R-Pharm Group.
- **Dejan Jovanovic** – Managing Director for Pharmaceutical Industry, GPB Asset Development, GPB Investment Management.

Patient Communities:

- **Yuri A. Zhulyov** – Co-Chairman, All-Russian Patients Union.
- **Maria M. Studenikina** – Director, "Home for Mom" Assistance Center.
- **Irina V. Bakradze** – PhD (Econ), President of the "PodSolnukh" Charitable Foundation; Certified Mediator

General Information Partner of the Round Table:
